TURKEY TROT 1987

We have pleasure in enclosing the result sheet for the
1987 Turkey Trot.

We apologise for any slight inaccuracies in these timings but
unfortunately the computer decided the "13th" was going to
prove unlucky for some, and stopped working after
approximately 140 runners were home. Consequently, the
remainder of runners were checked in by our manual back-up team.
We are sorry about this but promise it will all be back
to normal next year !!
